Online Education

1. Does all programs/courses were completed on time.				Yes			
2. Measures taken to complete the syllabus of courses and programs.				There was short respite from the pandemic, which gave us a breather to come back to the conventional pre pandemic methods of teaching and learning. However, as precautionary measure, teaching was taken up in the blended mode - ensuring fifty percent attendance offline and allowing online attendance for students beset with difficulties due to travel restrictions, that had not yet been fully lifted. Since the students had got used to online learning to a certain extent, they showed a much better participatory level in the classes. Webinars and skill development programmes continued to be conducted along with e - quizzes. Students and staff also continued to participate in online programmes conducted by other institutions. Whole-hearted efforts were taken, with fruitful efforts, to ensure teaching and learning were not compromised in the online mode			
3. The period of delay in completion of syllabus (in months).				0			
4. The period of delay in conducting exams (in months).				2
